

Why we work

Karin Thyr Eriksson & Göran Eriksson

When we go to to bed at night
We won't turn out the light until we made it right
And repair the fight
We talk about what's tough not afraid to bring it up
We laugh when times are rough
Our love is enough to carry us thru

You bring me roses on a Tuesday
Kiss me at the red light
We both like to walk down in Shelby park
You hold my hand at bed time
You know my favorite wine
This is why we work
Why it's you and I

In the middle of the day
Your turn to me and say come on lets get away
Skip this town for a day
Get behind the wheel and drive we don't care about the time
With you by my side
I don't need to hide
I feel alive

You bring me coffee in the morning
A "post it" with a love note
We both like to take a walk on a Sunday Night
You know just when to kiss me
You know I don't like whiskey
This is why we work
Why it's you and I

Down the line people will forget the reason why they walked down the aisle
They lose their love to every day life
That's not you and I

You bring me roses on a Tuesday
Kiss me at the red light
We both like to walk down in Shelby park
You hold my hand at bed time
You know my favorite wine
This is why we work
Why it's you and I

You bring me coffee in the morning
A post it with a love note
We both like to take a walk on a Sunday Night
You know just when to kiss me
You know I don't like whiskey
This is why we work
Why it's you and I

Dancing in the moonlight
-Girl you bring the sun out

This is why we work
Why it's you and I
