

Time is money

Karin Thyr Eriksson, Göran Eriksson,

Time is money and money is time
You've got yours and I've got mine
Oh yeah, oh yeah

Words are spoken, and spoken in time
You've said yours and I've said mine
Oh yeah, oh yeah

Dreams we dream together
Dreams we dream apart
Love can grow together
Love can also grow apart
And change your heart

Time is money and money is time
You've got yours and I've got mine
Oh yeah, oh yeah

Truth get lost in little white lies
You've told yours and I've told mine
Oh yeah, oh yeah
